Tester	Roaa mondy
DatTestere Submitted	10/18/2025
Title	
BUG Description	
URL	Restful-booker-platform demo
Summary	Check if all 'Book Now' Buttons Look the Same
Steps	1. Look at the "Book Now" buttons for different rooms. 2. Compare the color and size of the buttons
Expected Output	All "Book Now" buttons must have the same color and size on the page.
Actual Output	One button was a different size than the others.

Summary	Check if the 'Contact' Form is Easy to See and Separate
Steps	1. Scroll down the homepage to the end. 2. Look at the Contact Form area and the map below it.

Expected Output	The Contact Form area should be clearly separated from the map section.
Actual Output	The Contact Form slightly overlaps the map section when viewed.

Summary	Check if Room Prices are Shown with Currency Symbol
Steps	1. Look at the price shown for any room. 2. Check if a currency symbol (£, \$, or EGP) is next to the number.
Expected Output	The price must include a currency symbol next to the number for clarity.

Actual Output	The price number was visible, but the currency symbol was missing.
